SECOND RENEWED PETITION FOR REVIVAL UNDER 37 CFR 1.137(b)

This communication is the third filing of a petition for revival of an application abandoned unintentionally. No response or confirmation of receipt has yet been received from the previous two petitions, filed 23 May 2005 and 17 November 2006 respectively. In support hereof applicant states as follows:

1. Transmittal form PTO-1390 was filed on 18 December 2003. (Exhibit A). A copy of the date stamped filing receipt was enclosed in the documents accompanying the original petition.
2. The National fee has never been deducted from the undersigned's deposit account, and the application has never been registered in the PAIR database. No US application number has ever been received.
3. The applicant filed a request for status on 1 April 2004 that was never responded to by the Office. (Exhibit B)
4. Declarations and an Information Disclosure statement have also been filed in this application, but no confirmation has ever been received that these documents have been received by the PTO. (Exhibit C)

5. A first petition for revival was filed on 23 May 2005 (Exhibit D), and a renewed petition filed on 17 November 2006 (Exhibit E). No response has been received to these petitions.
6. While it is not certain, it is believed that the following error has occurred in this case. This assumption is based upon the following events that occurred in the applicant's companion case (PCT/NO02/00237, US ser. No. 10/495,769) filed on the same date:
 - a. Transmittal form PTO-1390 was filed on 18 December 2003. The National fee was authorized to be charged to the undersigned's deposit account. On that date, there were sufficient funds to cover the fee.
 - b. For unknown reasons, there was a delay in the processing of the application at the USPTO. The USPTO did not attempt to charge the deposit account until approximately one year after the filing of PTO-1390.
 - c. The deposit account had always contained sufficient funds to cover the National fee, except for a one week period approximately one year after the original filing, the deficiency being caused by a wire transfer delay. It was, in an unfortunate coincidence, precisely during this one week period that the USPTO eventually attempted to charge the deposit account.
 - d. The companion case was therefore abandoned for failure to pay the National Fee, but subsequently revived on a petition under 37 CFR 1.137(b).
7. It is believed that a similar error has occurred in the present case, although no Notice of Abandonment has ever been received.
8. The applicant therefore renews this PETITION for revival for unintentional abandonment, and requests that a US application number be assigned.
9. The applicant strongly requests confirmation of receipt and consideration of this petition.

Please charge and any and all necessary fees during the pendency of this application to deposit account 501898.

Respectfully submitted,
